## BRIFE INTRODUCTION

Once upon a time, there was a pet-loving entrepreneur named Rosanna Go who had a dream of creating a brand that would make pets' lives healthier and happier. She noticed that there was a gap in the market for high-quality, innovative pet products that were affordable for all pet owners.

With her passion for pets and her entrepreneurial spirit, Rosanna founded The Pet Company, a brand that would revolutionize the pet industry. The Pet Company was founded with the core belief that every pet deserves the best and that their health and comfort should be a top priority.

As The Pet Company grew, Rosanna continued to focus on developing new, innovative designs that would improve the lives of pets around the world. The company's commitment to quality and affordability quickly made it a household name, and pet owners everywhere began to recognize The Pet Company as a brand they could trust.

Over the years, The Pet Company has continued to expand its product line, offering a wide range of high-quality, innovative products that cater to pets of all shapes and sizes. From cozy beds to interactive toys, The Pet Company has everything pet owners need to keep their furry friends healthy, happy, and comfortable.

Today, The Pet Company is more than just a brand - it's a symbol of love and devotion to pets everywhere. Through its commitment to quality and innovation, The Pet Company has helped countless pets lead happier, healthier lives. And Rosanna Go, the founder, remains just as passionate about pets as she was on day one, continuing to drive the company forward with her unwavering dedication and love for animals.

**AUTOMATIC PET WATER DISPENSER**  
HEALTHY & SAFETY  
FREE-FALLING WATER STREAM

CAPACITY  
**2.4L**

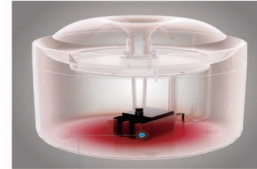

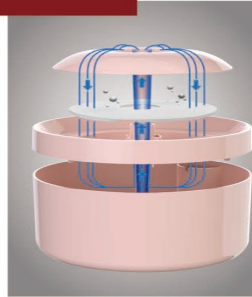

## Purifying Circulation Filtration System

- It provides healthy, running and oxygen-enriched water for your pets.
- Free-falling stream entices pets to drink more water.
- Purify the water, remove the hair, dirt and food particles.

### Separate structure, easier to clean

- Take out the power supply before cleaning, and then can be cleaned separately.

It detects low water level to avoid dry burning.

## Water Shortage Automatic Power-off

- The pump will shut off automatically, while the water storage level is too low.

## USB Charging

- The water dispenser powered with USB cable (adapter not included).
- It can connect all USB charging equipment. It is very convenience.

## AUTOMATIC PET WATER DISPENSER

### QUIET & COMFORTABLE SLEEP

It works super quiet! No worries of disturbing you and your pets rest. You will only hear soft sound of natural water flowing.
